DETAILED ACTION

This Office action is in response to the amendment filed June 11, 2007 by which claims 25-29 were canceled and claims 31-35 were added.

Oath/Declaration

The reissue oath/declaration filed with this application is defective because it fails to contain the statement required under 37 CFR 1.175(a)(1) as to applicant's belief that the original patent is wholly or partly inoperative or invalid. See 37 CFR 1.175(a)(1) and see MPEP § 1414.

The reissue oath/declaration filed with this application is defective because the error which is relied upon to support the reissue application is not an error upon which a reissue can be based. See 37 CFR 1.175(a)(1) and MPEP § 1414. *In particular*, the supplemental declaration references claims 25-29 (see section 3), when in fact these claims are not present in the application. Claims 31-35 were added in the amendment filed June 11, 2007. *Further*, it is strongly suggested that applicant add specific language of the claims into the declaration when referencing claims 31-35.

Claims 1-17 and 31-35 are rejected as being based upon a defective reissue declaration under 35 U.S.C. 251 as set forth above. See 37 CFR 1.175. The nature of the defect(s) in the declaration is set forth in the discussion above in this Office action.

Allowable Subject Matter

Claims 1-17 and 31-35 are otherwise allowable over the prior art.
